

Take a Stand for Andrew & Take a Stand for America

Andrew Jaunich is a 25 year old Melbourne resident serving the Army in Afghanistan and the son of a One Senior Place employee.

To celebrate July 4th, and salute the many men and women who have faithfully served – and given their lives for – these United States of America, One Senior Place has adopted Andrew's troop.

We need your help to support them as they continue the fight for freedom.

Beginning July 1 and until Veteran's Day on Nov. 11, One Senior Place – 8085 Spyglass Hill Road, Viera – will collect items to make life a little less difficult for those in harm's way so far from home.

Take a stand with One Senior Place to support Andrew's troop and the men and women who help ensure our freedom by faithfully serving this country. For more information call 321-751-6771.
